**Alcohol consumption on public property is by permit. In order to avoid the loss of this privilege please keep the following information in mind:**

1. The Parks and Recreation Department Director may grant a waiver to the provisions of the City's Open Container Ordinance for the purpose of holding picnics, parties, reunions, barbecues or other public assemblies in public parks, provided the number of adults does not exceed seventy-five.
2. Any police officer shall have full authority to void a waiver for violation of park or other rules and regulations, any term or condition of the waiver as issued, or any ordinances or state law, committed by any member of the group.
3. All public park and facility reservations are separate from the waiver process and a reservation for a park area or facility does not guarantee the issuance of a waiver under this section.
4. An application shall designate either the applicant, or one or more members of the group submitting the application, as the contact person for the event. The contact person shall be present at all times during the event, or shall arrange for an alternate contact person.
5. The contact person, also known as "safety supervisor," shall be in charge of the event and be responsible for those attending the event, and shall be in charge of and responsible for all beverage servers and patrons.
6. The granting of a waiver in no way abrogates the responsibility and liability of the applicants, which includes but is not limited to cleaning up the area and having a responsible contact person. This contact person should not consume alcoholic beverages before, during or after the event while on public park land or facilities.
7. No person shall possess an open alcoholic beverage (open container) in the passenger area of or on any motor vehicle on a street or an area used principally for public parking, except when such bottle or receptacle is kept in the trunk, or some other area of the vehicle not normally occupied by the driver or passengers.
8. Anyone found guilty of the offense of having an open container shall be fined an amount not less than \$100 and not to exceed \$500 or be imprisoned in the county jail for a term not to exceed 6 months, or both. The first \$100 of a fine under this section may not be suspended.
9. All rules and regulations regarding the legal drinking age for persons consuming alcohol must be respected; there must be no alcohol consumption by minors.
